

Before & After School Fees 2017 -2018

The Before & After School Program is trying to improve our payment system with a leveled pay structure for the 2017 - 2018 school year. Parents will sign a yearly contract. The contract allows us to break up the yearly fees into nine equal payments.

Payments will be required by the 10th of every month. Failure to make a payment will result in your child being removed from the program until payment is current.

A \$15 enrollment fee is due when signing up for the program. Yearly contracts will be sent out by August 29th. Contracts will be based off the information we receive from your Federal Free or Reduced lunch form.

Important:

We are now a K - 8 program that received a 21st Century Grant from the federal government.

K - 5 changes:

The before School program will now be held at Eisenhower. Students will be bused to their attendance center around 7:15.

6th - 8th changes:

We will no longer bus students to the Community Center on Friday. Students will walk down to Eisenhower on Fridays. An activity will be planned for them. Students will need to be picked up from Eisenhower before 5:30.

We will no longer provide cross town busing for any student. Parents will need to pick their student up from the Community Center before 5:30.

New Parent and Community focus:

Due to additional funding we were able to add a new position to the Before and After School program. Mrs. Wilkins, Middle School counselor, will be providing family related education programs on a monthly basis.

The Before and After School program has become a valuable service to the parents and students of Abilene. Changes are often needed to improve the program, provide safety and use our financial resources more effectively. If you have any concerns about any of these changes please contact me at dbrown@abileneschools.org or call 263-1643.
